A Cup of Joe

Greetings in Christ, all! We are officially in my favorite time of year: fall. I love the colors and the beauty of it all, but most of all, I love the temperatures. ☺

So, I wanted to address the Restoring the Temple Campaign with you all, but before I do, I have some joyful news to share.

The diocese contacted me late last week and asked if our two Parish Families would be willing to host Fr. Bill Wegher. Fr. Bill is a priest in our diocese whom many of you may know, but the deal is this: he is more or less rebuilding now from some struggles with alcoholism and was hoping to live in a community of priests in this process. When I was told of this, I felt blessed that our bishop would ask us to take him in. So, more than likely, even before you read this article, Fr. Bill will have moved in at Holy Family Rectory. This is all very last minute and because of that, I do not have any concrete information about what he will be doing, but I will share that as we go. The key is that he will be a bit limited by an inability to drive and making sure to give him time to heal up and get stronger. My hope is that we will be able to maybe even add some sacramental opportunities at St. Mark, as Mass attendance continues to grow there during the week-days...praise God.

By the way, I have a theory about how we ended up in a wonderful spot of going from fearing having only one priest at two parishes to having three priests at two and it involves you guys praying like mad when we found out we were losing Fr. Dan. Bless you good people for your faithful prayers!

So, I want to close out with a word about our Restoring the Temple Campaign.

I've learned a lot about all that led us up to this point and, what I'm hearing is that many people do not feel like they were given updates or that they would get updates that ended up changing. The result, it seems, is that a lot of people in our Parish Family are hungry for information about the Campaign.

It is my hope that, by sharing updates as we go, I can alleviate these concerns. As a priest I've done a lot of campaigns and renovations and each one I've done has taught me a few principles that I try to hold to. I will share them with you now.

First Principle: Trust the Experts. I have advanced degrees in Philosophy, Theology and History, as well as some other degrees. None of them are geared toward anything remotely resembling construction, fund raising, planning, etc. The result of that is that when someone wants to pitch an idea to me about what we should do, my usual response is to bring it to the Building Committee and hash it out with them.

Second Principle: Only One Meeting Per Meeting. Whenever

there is a meeting, it is inevitable that folks gather afterward to talk about what happened: that is a good thing. What I try to do is make sure that I am not at the post-meeting meetings. Why? Because that can be misinterpreted and, frankly, I could unintentionally conflate what we discussed in committee with what was discussed afterward. As the Pastor, I want to make sure my communications are with the whole team as much as is reasonably possible.

Third Principle: Communicate and ask people to reward it. It is my goal to share with you what I know and, where it is possible/appropriate, what I am thinking. I feel it important to share with you all what I am worried about, what our challenges are, what we are going to do and how we are going to do it. I try very hard to be open about what is going on and share it.

Fourth Principle: Pray. I need us all praying as much as we can for and about this campaign. I know that some of us are worried and some are upset with how this unfolded and the answer to all of this is to pray. Pray that God guide us and pray that we respond as best we can. Pray that God help us to do what He wants, not just what we want. Pray, pray, pray.

This is how we will do this: Together, guided by the Holy Spirit and filled with generous hearts. I will give you all I have, in the name of Jesus, and together we will restore the Temple.

Bless you all...I'm grateful to God that I get to be your priest.

Outreach Thank You

Outreach would like to extend a huge thank you to all those who contributed food and sundries all during the month of October in response to October for Others!

Also, the volunteers from Holy Family Outreach would like to thank all the students of Holy Family School and their parents for their generosity during the Michigan and Michigan State Challenge Food Drive. We are humbled by the amount given!

*Share with the Lord's people who are in need.

"Others First" is Next Weekend

We depend on your generosity to stock our St. Joseph Food Pantry and Clothes Closet. Please remember the needy as you shop this week. Bring nonperishable items to Mass next weekend. Greatly needed are: toothpaste / toothbrushes, deodorant, toilet paper, razor blades, laundry soap and Kleenex, as well as cereal, peanut butter, and pancake mix/syrup.

Your timely and wonderful generosity is appreciated, especially by our clients. It seems that no sooner are we low in supply, than you show up with products!

With Outreach so busy and our ever-increasing clientele, we are in need of funds as well to support our efforts. Thank you for any future giving that you might direct to Outreach!

Restoring the Temple

The vision will not disappoint

As a follow-up to last week's bulletin, the term "do-it-right" renovation includes the gathering space and drop off area as set forth in the prior campaign. It also includes the following sacramental updates: relocated confessionals, relocated and new baptismal font, a bride's room, and a chapel. The renovation will also include accessible restrooms, accessible seating, an accessible altar, and refurbished and appropriately spaced pews. This renovation will accommodate more seating. The sacramental updates were discussed at the town hall meeting in May and garnered wide support.

Building Committee Meeting - The Building Committee met last week. There is a concern that the longer the renovation is delayed, the more the projected costs could increase. In January we will add up the pledges and, based upon the pledges, we will adjust the scope of the renovation. Then, the following pre-construction activities will commence: update construction plans based on pledges (3-4 months), seek additional approvals from the City of Grand Blanc, if necessary (3 months), and take the project out to bid for materials and labor (2 months).

We are planning to have several campaign information meetings and will provide more information next week. As you pray for the campaign, and a big thank you for your prayers, please look to the Lord for guidance about your pledge, knowing that "the vision will not disappoint."

*Lord, you have entrusted this sacred space to our care.
Through the intercession of the Holy Family,
Bless our efforts to sacrifice and restore your temple. Amen*

Holy Family School Academic Resource Center ARC

After months of renovation we were happy to open the HFS ARC to all of our students! Formerly the Library, the ARC still remains dedicated to the late Mrs. Gail Connor, wife of Mr. John Connor. Mrs. Connor was the first president of the School Committee, a President of the Holy Family Altar Society and in 1965 was awarded the Holy Family Altar Society Catholic Mother of the Year Award. Her six children, Barb, Karen, Janet, Mike, Rich and Peg are all graduates of HFS. In her terms of office on the Altar Society and the School committee, the Library plans were conceived and developed. Mrs. Connor passed away on July 10, 1967, two years before her hard work and dedication became a reality. On December 1, 1968, a formal dedication to Mrs.

Connor was held by Fr. Bush with the blessing of the library.

When the library first opened, there were 4,750 books. Today in 2018, the ARC is our student's center of academic research containing 10 computer workstations, K-2nd Grade kid's corner, over 12,000 books, a circulation desk and our very own Media Specialist, Mrs. Kate Piper. Parent volunteers still are welcome to help organize, read to students and help provide a secure and quiet workspace for our students

What's Happening Here

Holy Land Crafts

Representatives from Catholic Bethlehem Christian Families will be with us on **Sunday, November 4, 2018**, (in the Fr. Bush Parish Center - large hall during Coffee and Donuts) to ask for your help and blessing for the native people of the Holy Land in Bethlehem. These families, sixty years ago, made up 18% of the population. Due to recent events in the Middle East, it has caused these families to face devastating economical strain, and caused the population to decrease to less than 2% in the Holy Land. These families have relied on the income from their religious hand-carved olive wood artifacts to tourists.

So we have come to the USA to try to help support these families by bringing their artifacts here to sell in the USA. All the proceeds from sales will be sent back to the families of the Holy Land so that they may be able to keep their homes and provide for their families. The last few years were very tough for the Christian families, and this is the only source of income for them.

Please browse their items and find yourself something from the Holy Land.

Fr. Joe's well-known *Faith Magazine* column, "In the Know with Fr. Joe" is going LIVE the second Thursday of each month at 7:00 p.m., beginning November 8. Join us at either Holy Family or St. Mark's (check the schedule) for an evening of faith and fun!

55 & Over Club

Halloween is not just a children's pastime of dressing up in costumes, pumpkin carving, parties, games, and trick or treating, but a sharing among adults and children with their memories of fun and laughter together.

See you at our Halloween party this **Tuesday, October 30th**, from 11:00 a.m. - 2:00 p.m.

Only five more lunches for 2018 so please join us and see for yourself what our group is about.

S.O.S. (Service on Saturday)

All middle and high school students are invited to participate in Service on Saturday. We will be working at various parishioner's homes or on the parish grounds for fall cleanup.

We meet in the upper parking lot at 9:00 a.m. and our day will conclude with a pizza lunch. Students can be picked up at Holy Family at 1:00 p.m. Permission slips will be available the day of service and we are in need of parents to drive and chaperone at the worksites. If you are interested in helping, please call the Religious Education office at 694-9072, ext.101. Bring the whole family and have a great time while helping others. S.O.S. date is **November 3rd**.

Advent by Candlelight

All women of the parish are invited to hostess a table at our annual Advent by Candlelight experience on **Thursday, December 6th**. Advent by Candlelight is an evening to share food, fun, prayer, and song with other women who are family and/or friends. (All guests must be 16 years or older.) This special evening is a wonderful way to prepare our hearts and home to celebrate the coming of Jesus.

Hostesses set their tables in the parish center with everything from paper plates to grandmother's finest china. They provide finger foods for their guests and visit for more than an hour before our program begins.

To reserve and hostess your table of eight, you may sign up on **Sunday, November 4th**, from 9:00 a.m. until 1:30 p.m. in the Holy Family School lobby. Anyone who would like to come, but cannot hostess a table, may call the Religious Ed. office and we will make arrangements for you at a table.

If you are unable to sign up on November 4th, perhaps you can have a friend sign up for you or you can call the Religious Education office at (810) 694-9072, ext. 101. If you have any questions, please call Jan Gravel at the above number.

Eucharistic Ministers to the Sick

We are in need of a few more volunteers to take communion to the sick. Holy Family is currently attending to the spiritual needs at ten local facilities, either on Wednesday or Sunday, and our volunteers do great work.

Each volunteer is assigned a consistent day or week of the month. We have a few openings on a once-a-month basis, but we could also use a few people who would be willing to substitute, in case of illness, vacation, etc.

You will be trained and when you're comfortable, we'll find a spot that fits your schedule.

In addition, if you have a person in mind who might want to receive the Body of Christ at home and you wish to take it to them after Mass, please call me for a pyx and instruction.

This a wonderful mutually rewarding ministry!
